

CEO Forum “Invest India”–Testimonials

electronica India 2016

“We attended the CEO Forum during the trade fairs and met the principal secretaries of each states face to face. It is certainly heartening to see the kind of progress the government and the states are initiating in terms of the ESDM policies. We could also understand how each state is promoting ESDM policies in their own state. We saw a significant progress in terms of mind-set, the willingness to progress and also how start-ups like ours can benefit from such a program.” **Basavaraj Nagaraju, Executive VP (Marketing & Strategy), Black Pepper Technologies**

“Participation at the Invest India forum has been very satisfying and I must appreciate the efforts of the organizing team in conceptualizing such an event and a well-received trade fair.” **Guruprasad Mudlapur, Managing Director, Bosch Automotive Electronics**

“Chhattisgarh is a partner state to this excellent trade fair and I must congratulate Messe Muenchen India and ELCINA for organizing such an event. It is also very fulfilling to see large participation from many international players at electronica India.” **O.P. Banjare, Incharge (Industrial Promotion/ Project Development & Finance Cell), Chhattisgarh State Industrial Development Corporation Limited**

“We are really happy to experience such a well-organized trade fair. Special programs at electronica India like the Invest India forum and Buyer Seller Forum have really made this trade fair a very important stop-over for the Indian ESDM industry.” **A. Sreenivas, IAS, Special Secretary Information Technology, Haryana & Managing Director, Haryana State Electronics Development Corporation Ltd. (HARTRON)**

“Very good arrangements made by the organizers. Attending the trade fairs was very useful as we could meet each state office here. We discussed various investment possibilities and received inputs on where to invest. The CEO Forum is a good initiative, well executed and planned by the organizers. We look forward to having such forums again at the trade fairs next year too as it prepares us for future planning.” **Sunish Anand, Kristeel-Precision LLP**

“These are exciting times for the ESDM sector. The CEO Forum during electronica India has been absolutely spot-on in raising the right issues at an appropriate time. The trade fair has been a resounding success and we wish the organizers the very best.” **Amrit Manwani, Chairman and Managing Director, Sahasra Group**

“We found the presentations and information shared during the CEO Forum at electronica India very useful as different perspectives were shared by the different states participating in the program.” **Sreeram Srinivasan, CEO, Syrma Technologies**

“The CEO Forum has really been a kind of breakthrough of sorts with each of the state government representatives spending time with potential investors and explaining numerous investment opportunities in their respective states. It is also great to see involvement by key government delegates who actively interacted in the entire process.” **Chris Rao, Managing Director, UTC Aerospace**

“We attended the trade fairs to explore the opportunities that it presents, and have been greatly impressed by the way it has been organized by Messe Muenchen India. I also attended the CEO Forum at “Invest India” which was very useful to our management. We look forward to attend this forum again as an investor to research and analyze in which states we could invest. We look forward to the participation of more states at the next event.” **Mohan Patel, Director, Vasani Impex India**
