

The electronica India Smartphone App

The entire fair in the palm of your hand

The electronica India App is the easy way to prepare for the fair and make sure that you always have the latest information while you are there.

The App's functions:

- Visitor registration
- Search for exhibitors or products and countries with favorite function
- Interactive hall plans with favorites function
- Supporting program
- Venue information
- Getting there

The electronica India App will be available just before the show.
