

Venue New Delhi

Get to know the venue. Pragati Maidan is the venue for many national and international exhibitions and is one of the prime landmarks of New Delhi.

New Delhi

New Delhi is one of the hot spots for electronics with a strong presence of electronics manufacturing hardware, automotive electronics, consumer electronics and semiconductor companies as Freescale and STMicroelectronics. Major players like LG, Samsung, Philips, Panasonic and Haier are also placed in the capital of India— New Delhi.

New roads, flyovers and the New Delhi Metro make sure that travel within the city is smooth and hassle free. It is also well connected through train, buses and air—Delhi Domestic and International Airports have flights from all major cities in the world.

Exhibition area

Pragati Maidan Exhibition Centre spreads over 123 acres of prime land in the heart of India's capital, New Delhi. The venue offers around 61,290 square meters of exhibition space in 19 spacious halls and around 10,000 square meters of open display space. Pragati Maidan has its own metro station making it extremely easy to access. In addition, the venue is connected via bus and is a 45 minutes' drive from the airport.

Conference centre

The Pragati Maidan has seven air-conditioned conference halls of different dimensions with flexible seating arrangements. Specially designed VIP room, Protocol Lounge and Board room. Adequate space for networking, lunch or dinner, tea and coffee etc. Registration, information counters and office space for organizer.
