FAQs—frequently asked questions

We have put together a list of the most frequently asked questions about electronica India for you.

Exhibitor questions

How to become an exhibitor at electronica India?

To participate in electronica India, you must complete and sign the application form. Based on the information provided on the form, we will check to see if your company is eligible to participate as an exhibitor. If so, we will send you a stand proposal.

When is the registration deadline?

The registration deadline for individual exhibitors is on July 30, 2017.

What is the minimum stand size?

The minimum size is nine square meters.

How much does it cost to exhibit at electronica India?

You can find all participation prices here.

Where can I register as an exhibitor?

The application forms are available here.

When we register for the fair, what does that include?

When you submit your application, it only concerns stand space at electronica India. It automatically includes the mandatory entry in the exhibitor directory (online and event directory) as well as worker and exhibitor passes. You will be invoiced separately for any additional charges incurred (e.g. stand construction, technical services and advertising materials). All invoices should be paid immediately upon receipt.

When and how will I be invoiced?

Shortly after you submit your application, you will receive a confirmation of your application together with a down payment invoice by mail. The down payment invoice amounts to 30 percent of the participation fee and is to be paid upon receipt. You will receive a separate admission invoice for the balance, which must be paid 45 days before the show. All invoiced amounts on all Messe Muenchen India and Messe München GmbH invoices that are connected to the event are to be paid without deductions and free of all charges by credit transfer to the account specified on the invoices, mentioning the exhibitor's company name and invoice number.

Can co-exhibitors exhibit at my stand? If so, how can I register them?

Exhibitors are free to have co-exhibitors at their stands. The main exhibiting company (leaser of space from organizers) must fill out and sign page 4 of the application form. Co-exhibitors are also subject to approval to exhibit. The application fee is 240 EUR for each co-exhibitor or additionally represented company admitted. This fee will be charged to the main exhibitor.

As an exhibitor, what additional services can I order?

A list of additional services is available here.

Can electronica India help me to obtain a visa to enter India for the event?

You can find all information about our visa service for exhibitors here.
