

The right stand for your trade-fair success

Draw attention to your company by choosing the right design for your stand.

Stand building

You have already applied for space and have a confirmation on your stand number? The next step on the way to a professional trade fair participation is the design of stand construction.

Please note:

If you apply for a booth smaller than **18 square meters** a shell scheme stand package from our package is mandatory.

[Order form for shell scheme packages \(597 kB PDF-document \)](#)

Stand building and technical services

Messe Muenchen India Pvt. Ltd. is the official contact for stand building services and a competent and reliable partner who can support you on all topics that pertain to building a stand for your participation at the fair.

Whether you chose a shell-scheme solution or an individual design, we will take care of everything needed to plan and build your exhibition stand for you.
