“Vision for quadrupling to a US\$ 400 billion electronics industry”

The supporting program for electronica India 2019 will be finalized in summer 2019. In the meantime you may check the supporting program of electronica India 2018 below.

Jointly organized by ELCINA and Messe München India, as an investor forum in the Electronic System Design & Manufacturing segment, the CEO Forum took place for the very first time at electronica India 2016 and brought together states representatives and delegates looking for new business opportunities across India. About five Indian states including Chhattisgarh, Haryana, Jharkhand, Odisha and Rajasthan participated in the CEO Forum and discussed lucrative investment opportunities for domestic and international electronic manufacturing companies.
